Dear Mr. Danner:

Pursuant to RCW 80.28.060 and WAC 480-80-101 and WAC 480-80-105(1)(c), please find enclosed for filing the following proposed revision to the WN U-2 Tariff for natural gas service of Puget Sound Energy (the “Company”):

**18th Revision of Sheet No. 101-B – Natural Gas Schedule No. 1, Tax Adjustment (Continued)**

The purpose of this filing is to incorporate the effect of changes to the municipal tax within the City of Yarrow Point (the “City”). A copy of the approved City ordinance, Ordinance No. 619 is enclosed.

The change imposed by the enclosed ordinance is an increase to 6 percent from the current 5 percent city tax rate. The Company estimates the resulting annualized increase in gross revenues from gas operations and corresponding increase in taxes due to be \$6,257.

The tariff sheet described herein reflects an issue date of December 1, 2010, and an effective date of January 1, 2011. Posting of proposed tariff changes, as required by law and the Commission’s rules and regulations, is being completed immediately prior to or coincident with the date of this transmittal letter through web, telephone and mail access in accordance with WAC 480-90-193. Pursuant to WAC 480-90-195 notice to customers will be provided in the first billing after the tariff revision becomes effective; the 380 gas customers within the City will receive notification in the form of a bill message.
