To Whom it may concern,

For quite some time deciding which will be the best route in moving forward financially, coming up with the decision to close down my business. Reason that the business has been really slow and this has an effect being unable to keep up with expenses - insurance, fuel, and maintenance of the truck. I am taking further actions in selling the truck and closing as well, the licensing of the business. For the last year, this has been a wonderful growing experience. If there is any further questions or information you need from me, my contact number is (425) 391 - 5608.

Thank You,

Owner
