January 7, 2011

Mr. Dave Danner
Secretary and Executive Director
Washington Utilities and Transportation Commission
1300 S. Evergreen Park Drive SW
Olympia, WA 98504

Dear Mr. Danner:

Cascade Natural Gas Corporation encloses for filing the following tariff sheets containing proposed effective dates of February 7, 2011:

First Revision Sheet No. 301 Canceling Original Revision Sheet No. 301
Third Revision Sheet No. 302 Canceling Second Revision Sheet No. 302

The purpose of this filing is to update the Company's conservation tariffs to reflect the most recent avoided cost calculations as outlined in the Company's 2010 Integrated Resource Plan. For the Commercial/Industrial Conservation program the result is a reduction in the incremental cost cap from \$1.00 per therm saved to \$.75 for custom measures. For the Low Income Weatherization Incentive Program the maximum payment per therm for savings associated with the program is being reduced to \$11.66 for 30 year measures.

Any questions regarding this filing may be directed to Allison Spector at (360) 788-2356 or myself at (509) 734-4593.

Sincerely,

Katherine J. Barnard
Manager
Regulatory & Gas Supply
