Re: Request for Extension

Dear Executive Secretary: David W. Danner

This letter serves as our request for a 30 day extension of time to file the 2010 Solid Waste Collection Companies Annual Report. The original due date is May 1, 2010. June 1, 2010 would be an ideal date to submit this information. We are currently in the process of having our financial information reviewed by an outside CPA. We feel that an extension of time to file would allow us to file a more accurate annual report by including any adjustments suggested during the review process.
