Subject: Cancel Docket No. PG-110669 - WAC 480-93-020 Request for Approval – 12” Anacortes Phase 1 Project

Dear Mr. Lykken:

Please cancel the previously submitted Proximity Request Docket No. PG-110669, the proposed installation of 4,000 feet of 12” pipeline for the Anacortes Phase 1 project. The previously submitted Proximity Request Docket No. PG-110669 has been replaced with Docket No. PG-111061, installation of 8,000 feet of 12” pipeline for Anacortes Phase 1.

The reason for canceling Docket No. PG-110669 is we received approval to expand the Anacortes Phase 1 project from 4,000 feet to 8,000 feet which is described in Docket No. PG-111061.

If you have any questions or require additional information, feel free to contact me at (509) 734-4552 or via email at kevin.raschkow@cngc.com

Sincerely,
CASCADE NATURAL GAS
