RE: Special Fuel Surcharge Supplement No. 42 for Lake Chelan Recreation, Inc,
dba Lake Chelan Boat Company, Certificate Number B-34, D-3

Dear Mr. Danner:

The company requests Commission approval to amend its filed Tariff No. 63 on Less Than Statutory Notice to include a Special Fuel Surcharge Tariff Supplement No. 42 to recover the rising cost of fuel. The amount of the surcharge requested is \$2.50 per one-way passenger fare and \$5.00 per round-trip passenger fare to become effective on May 1, 2011.

The percentage amount that rates will change if they become effective is from 12.82% to 14.49%.

The amount that revenue is expected to change if the proposed surcharge on rates becomes effective is \$11,469.58.

We are aware of Docket T-101661 and have been on the bridge line for the past two public meetings. We have also been working with WUTC staff member Chris Mickelson to try to determine an appropriate method for fuel surcharges for our company that is just, fair, reasonable, and sufficient, and assures that the surcharge collected would not exceed the recovery of the additional fuel cost above our rate case of April 2009.

If you have any questions about this filing, please contact Cindy Engstrom at (509) 682-1123 or via email at cindy@ladyofthelake.com.

Sincerely,

Jack Raines
