**RE: TRASHBUSTERS OF WA LLC. UBI # 601 777 244, CERTIFICATE
G256**

Dear Mr. Danner

My company, TrashBusters of Washington State LLC, is currently working with staff from the UTC to determine which of the services we provide are regulated.

Until it is determined which of the services we provide are regulated, and therefore subject to regulatory fees, it is impossible to calculate our regulatory fees.

Therefor, we are requesting an extension on filing our 2011 return.

Please consult Sheri Hoyt or Penny Ingram.

Yours truly,

Mike McKee
President
