FARMERS

It is agreed that:

1. The certification of the policy, as proof of financial responsibility under the provisions of any State motor carrier law or regulation promulgated by any State commission having jurisdiction with respect thereto, amends the policy to provide insurance for automobile bodily injury and property damage liability in accordance with the provisions of such law or regulations to the extent of the coverage and limits of liability required thereby; provided only that the insured agrees to reimburse the Company for any payment made by the Company which it would not have been obligated to make under the terms of this policy except by reason of the obligation assumed in making such certification.
2. The uniform motor carrier bodily injury and property damage liability certificate of insurance has been filed with the State commissions indicated on the reverse side hereof.
3. This endorsement may not be canceled without cancellation of the policy to which it is attached. Such cancellation may be effected by the Company or the insured giving thirty (30) days' notice in writing to the State commission with which such certificate has been filed, such thirty (30) days' notice to commence to run from the date the notice is actually received in office of such commission.
