Re: **Advice No. 2011-13**
Electric Tariff Filing – Filed Electronically

Dear Mr. Danner:

Pursuant to RCW 80.28.060 and WAC 480-80-101 and WAC 480-80-105(1)(c), please find enclosed for filing the following proposed revision to the WN U-60 Tariff for electric service of Puget Sound Energy, Inc. (the "Company" or "PSE"):

WN U-60 – (Electric Tariff)
Ninetieth Revision of Sheet No. 81-a – Schedule 81, Tax Adjustment

The purpose of this filing is to incorporate the effect of a change to the municipal tax within the City of Wilkeson (the "City"). A copy of the approved City ordinance, Ordinance No. 2006.10 is enclosed.

The rate change imposed by the enclosed ordinance is an increase to 6 percent from the current 5 percent city tax rate. The Company estimates the resulting annualized increase in gross revenues from electric operations and corresponding increase in taxes due to be \$2,945.

Due to the 2006 passage and approval of Ordinance No. 2006.10 establishing a 6 percent city tax rate, PSE is requesting less than statutory notice ("LSN"). Therefore, the Company respectfully requests that the Commission allow this tariff change to become effective on May 13, 2011, with less than statutory notice ("LSN"), in order to allow the Company to implement this rate change as soon as possible. The information required by WAC 480-80-122 is contained throughout this letter and on the attached LSN form provided by the Commission. Tom DeBoer is authorized to issue tariff changes on behalf of the Company.

The tariff sheet described herein reflects an issue date of May 4, 2011, and an effective date of June 5, 2011. The "Rate Eff. Date" column of the tariff sheet includes May 13, 2011 to eliminate the need for subsequent revisions. Posting of proposed tariff changes, as required by law and the Commission's rules and regulations, is being completed immediately prior to or coincident with the date of this transmittal letter through web, telephone and mail access in accordance with WAC 480-100-193. Pursuant to WAC 480-100-195 notice to customers will be provided in the first billing after the tariff revision becomes effective; the electric customers within the City will receive notification in the form of a bill message.
