To the Executive Secretary of State of the Public Utilities Commission:

DeITel, Inc. ("DeITel") requests that the Washington Utilities and Transportation Commission ("Commission") cancel its authority granted by, and rescind all tariffs on file with, the Commission to provide Interexchange Telecommunications Services, effective immediately.

In Washington, DeITel is authorized by the Commission to provide Interexchange Telecommunications Services pursuant to Docket UT-032054, issued on 1/11/2004. Due to natural attrition, DeITel, Inc. no longer has Interexchange Telecommunications Customers in Washington and therefore, no longer requires its authorizations. Because DeITel does no longer serves any telecommunication customers in Washington and neither holds deposits nor advance payments from any Washington consumers, DeITel respectfully submits that the surrender of its authorizations and withdrawal of its tariffs is reasonable and necessary and will not be disruptive to the present or future public interest, convenience and necessity.

A verification is attached hereto to verify the information in this Letter. An original and 5 copies of this notice are enclosed for filing. Please date-stamp the extra copy and return it in the self-addressed, postage-paid envelope provided. Should you have any questions regarding this filing, please do not hesitate to contact the undersigned.

Respectfully submitted,

Kirk Waldfofel
