

NOTICE

Whidbey Telephone Company dba Whidbey Telecom (“Company”) has today forwarded for filing with the Washington Utilities and Transportation Commission (“Commission”) revisions to the Company’s Tariff WN U-5 (“Tariff”).

The proposed tariff revisions modify Schedule 43 (“Custom Calling Services”) of the Company’s Tariff WN U-5 by renaming the Company’s offering of Calling Number Delivery Service as Caller Identification Delivery Service and enhancing that offering to include not only the delivery of the calling number, but also the delivery of calling name and/or location, if available to the Company for that purpose. Conditions applicable to that service are also being modified. Those modifications include revisions to the permissible use of the service, identification of circumstances under which the service may not function properly, and adjustment of provisions pertaining to the Company’s liability arising out of the service and/or any other Custom Calling Service.

The proposed tariff sheets have an issued date of August 1, 2011, and an inserted effective date of September 1, 2011.

A copy of the proposed tariff sheets, as well as of the Company’s existing Tariff WN U-5, is available for public inspection in this office. A member of our staff will be pleased to assist you in obtaining information from the proposed tariff sheets, as well as from our existing Tariff WN U-5.
