RE: CERTIFICATE NO G-00256

August 18th, 2011

Dear Chairman Goltz

I would like to cancel my solid waste certificate because my company does not collect and transport solid waste. I would like an exemption to rule WAC 480-70-076(1) because we provided an on call service only and we did not have any customers under contract. We were not aware that we were required to provide the Commission notice prior to ending our services.

Yours Truly
