RE: Affiliated Interest Filing for PacifiCorp

Dear Mr. Danner:

Pursuant to the provisions of RCW 80.16.020 and WAC 480-100-245, PacifiCorp, d.b.a. Pacific Power & Light Company (or Company), files one verified copy of the Property Lease (Lease) by and between PacifiCorp and Cottonwood Creek Consolidated Irrigation Company (CCCIC). The Lease is included as Attachment A. CCCIC is a non-profit company that holds water rights in the Cottonwood Creek drainage, located in Utah. The Company currently owns approximately 26 percent of the shares of CCCIC. Additionally, CCCIC helps to manage access to certain water supplies on behalf of PacifiCorp. RCW 80.16.010 includes in its definition of "affiliated interest," "every corporation or person with which the public service company has a management or service contract." Therefore, PacifiCorp's ownership interest in CCCIC creates an affiliated interest.

The Company uses the water obtained through CCCIC as part of the supply to its Hunter Plant located in Emery County, Utah. While the Company has owned a certain percentage of shares in CCCIC since the early 1970's, a recent review of the ownership structure led to the conclusion that PacifiCorp's relationship with CCCIC creates an affiliated interest. The water obtained through CCCIC is used in a generation plant that is not included in the West Control Area allocation methodology and therefore not included in Washington rates. Notwithstanding, the Company is providing this notice out of an abundance of caution to ensure consistent treatment of affiliate contracts under the requirements of RCW 80.16.

CCCIC requested to lease certain property from PacifiCorp for the purpose of storing pipe to be used in construction of the Adobe Wash Reservoir. The Adobe Wash Reservoir, which will uniquely benefit PacifiCorp, is part of the "Cottonwood Project," which will convert CCCIC's delivery system from "open-ditch" to a pressurized pipeline delivery/irrigation system. This is currently under construction in the Cottonwood Creek

drainage area in Utah.¹ Pursuant to the lease, CCCIC may use five acres of PacifiCorp's property solely for the purpose of storing pipe for use in construction of the Adobe Wash Reservoir for a period of one year with the option to renew the lease for up to four additional years.

CCCIC is purchasing a large quantity of pipe to be used over the course of constructing the Adobe Wash Reservoir, which is currently taking place and is scheduled to be completed by the end of 2012. The property to be leased is vacant; therefore CCCIC's use of the property will not interfere with the Company's ability to provide safe and reliable electric service. CCCIC will pay \$750 annual rent based on the fair market rental value ($\$1500 \text{ per acre}^2 \times 5 \text{ acres} = \$7500 \times 0.10 \text{ rental rate} = \750).

The Property Lease is in the public interest because it is part of a project to provide a more reliable and long-term source of water for the Hunter Plant and reduce operation and maintenance costs.

Also included with this filing is a notarized verification from Michelle Mishoe, Legal Counsel, Pacific Power, regarding the Agreement.

Please do not hesitate to contact me if you have any questions (503) 813-6043.

Sincerely,

Handwritten signature of Andrea L. Kelly in black ink, including a stylized initial 'AK'.

² The \$500 per acre value was derived from an appraisal performed by a licensed appraiser for a property located approximately one mile south of the property to be leased.

Such options shall be

exercised by giving Lessor advance written notice of its intent to do so (“Notice of Intent to Renew”) not less than sixty (60) days prior to the expiration of the initial Lease Term or the preceding renewal term, as the case may be.

3. **Rent Payment.** Lessee shall pay to Lessor an annual rent payment in the amount of seven hundred fifty dollars (\$750) for the original Lease Term and all Option Terms. Notwithstanding the foregoing sentence, fences and those improvements which cannot be removed without causing damage to the Premises do not immediately become the property of Lessor but Lessee may remove them within 30 days after the termination of the Lease, after which, if they remain on the Premises, they shall become the

property of Lessor. Lessee shall not be entitled to any compensation or rent reduction for any improvements made to the Premises. Upon the termination or expiration of this Lease, if Lessor is required to dispose of improvements made by Lessee, Lessee agrees to reimburse Lessor for all of its associated reasonable costs and expenses.

The covenants contained within this paragraph shall survive the termination this Lease.

It is further understood and agreed upon that Lessor shall reserve the right to add to, change, or enlarge its power lines and associated facilities and structures on the Premises, including such equipment and facilities of others, including fiber optic and cable lines. If such changes require Lessee to make changes to any of Lessee's structures or improvements located upon the Premises, Lessor shall give Lessee at least thirty (30) days advance notice and Lessee agrees to make any such within a reasonable period of time as designated by Lessor. Lessee also recognizes and agrees that its use of the Premises shall be non-exclusive and subject to the right of Lessor to engage in, or to grant to others the rights to engage in, the following uses of the Premises: 1) the development, operation, maintenance, repair, upgrade and enlargement of existing and future power lines, roads, spring development, pipelines, oil & gas wells, fiber optic lines, cable lines, water wells, and all associated poles, equipment and facilities; and 2) the construction of roads and other uses on the Premises so that they might have adequate access necessary for the foregoing uses.

9. **Inspection.** Lessor shall have the right to enter into and upon the Premises at any time for the purpose of inspecting the Premises.

10. **No Sublet or Assignment.** Lessee may not sublet the Premises or any part thereof or assign any of its rights under this Lease without Lessor's prior written consent.

11. **Compliance with Law, Preventing Waste.** Lessee shall, at all times, comply with all laws, ordinances, and regulations affecting or pertaining to the use or occupation of the Premises, including environmental laws and regulations. Lessee shall indemnify and hold Lessor harmless from all mechanic's, materialmen's and laborer's liens against the Premises which may arise by reason of Lessee's operations hereunder, and in the event any such liens are filed against the Premises, Lessee will take such steps as may be necessary to obtain the discharge thereof. Lessee shall post and keep posted at the entrance to its operations on the

Premises notice to the public that said operations are being conducted by Lessee and that the interests of Lessor as landowner shall not be subject to any lien or claim arising therefrom.

13. **Insurance.** Without limiting any liabilities or any other obligations of Lessee, Lessee shall procure, or require that its contractors procure, and continuously maintain for the duration of this Agreement, with insurers having an A.M. Best's rating of A-VII or better, insurance against claims for injury to persons or damage to property which may arise from or in connection with this Agreement or Lessee's use or occupancy of the Premises as follows:

14. Taxes. Taxes on the Premises are centrally assessed. Lessee shall pay to Lessor any increase in such taxes attributable to Lessee's use of the Premises or improvements made thereto.

15. Termination. This Lease may be terminated upon the happening of any of the following events:

15.1 Breach. If Lessee breaches any of the covenants or provisions herein provided, including the failure to pay any monetary sums required under this Lease, Lessor, at its option, and after providing written notice of the alleged breach and thirty (30) days to cure to Lessee, may terminate this Lease and immediately re-enter and repossess the Premises either with or without legal process and without giving notice to quit to Lessee, which notice is expressly waived by Lessee in case of such breach.

15.2 Abandonment. In the event Lessee abandons the Premises, Lessor may, in addition to all other remedies, immediately reenter the Premises and take full possession thereof and exclude Lessee from any attempted renewed use of the Premises.

15.3 Frustration or Change of Condition. If the enactment or adoption of any law, ordinance, regulation, order, condition, or other governmental requirement relating to Lessor's

operations on the Premises makes further performance impractical or frustrates the purpose of this Lease, Lessor shall have the right to terminate this Lease by giving Lessee ninety (90) days prior written notice.

15.4 **Termination by Notice.** Lessor may terminate or cancel this Lease at any time during the term hereof by giving ninety (90) days written notice to Lessee of its intention to do so. If said Lease is cancelled, Lessee shall not be entitled to damages of any kind, including lost profits, relocation costs, or expenses.

16. **Events Upon Expiration or Termination.** Upon the expiration of termination of this Lease, Lessee shall promptly remove all personal property and shall surrender the Premises in good condition satisfactory to Lessor, reasonable wear and depreciation due to use excepted.

17. **Holdover.** If Lessee retains possession of the Premises or any part thereof after the termination of this Lease, Lessee shall be deemed to have a month-to-month tenancy and Lessee shall pay to Lessor a monthly installment of rent, at double the rate due and payable for the month immediately preceding such holdover, computed on a per-month basis, for each month or part of a month (without reduction for any such partial month) that Lessee remains in possession of the Premises. In addition, Lessee shall pay to Lessor all direct and consequential damages sustained by reason of Lessee's retention of possession of the Premises. The provisions of this Section shall not be deemed to limit or exclude any of Lessor's rights of reentry or any other right granted to Lessor under this Lease or at law.

18. **Miscellaneous.**

18.1 **Notice.** Except when actual receipt is expressly required by the terms hereof, notice is considered given either: (i) when delivered in person to the recipient named below, (ii) after deposit in the United States mail in a sealed envelope or container, either registered or certified mail, return receipt requested, postage prepaid, addressed by name and address to the party or person intended, or (iii) after being transmitted by facsimile to the person and party intended and to the facsimile number indicated below, with machine confirmation of satisfactory transmittal. 18.3. **Applicable Law.** This Lease shall be construed in accordance with and governed by the laws of the state of Utah.

18.4. **Binding Effect Upon Successors.** This Lease shall be binding upon and inure to the benefit of the parties and their respective heirs, executors, administrators, successors, legal representatives, and assigns; provided that this provision shall not be construed as permitting assignment, substitution, delegation, or other transfer of rights or obligations except strictly in accordance with the provisions of this Lease.

No covenant, representation, or condition not expressed in this Lease shall affect or be deemed to interpret, change, or restrict the express provisions hereof.

18.6. **Waiver.** No failure by any party to insist upon the strict performance of any covenant, duty, agreement, or condition of this Lease or to exercise any right or remedy consequent upon a breach thereof shall constitute a waiver of any such breach or of such right or remedy or of any other covenant, agreement term, or condition. Any party may, by notice delivered in the manner provided in this Lease, but shall be under no obligation to, waive any of its rights or any conditions to its obligations hereunder, or any duty, obligation, or covenant of any other party. 18.7. **Rights and Remedies.** The rights and remedies of any of the parties shall not be mutually exclusive, and the exercise of one or more of the provisions of this Lease shall not preclude the exercise of any other provisions. Each of the parties confirms that damages at law may be an inadequate remedy for a breach or threatened breach of any provision hereof. The respective rights and obligations hereunder shall be enforceable by specific performance, injunction, or other equitable remedy, but nothing herein contained is intended to or shall limit or affect any rights at law or by statute or otherwise of any party aggrieved as against the other parties for a breach or threatened breach of any provision hereof, it being the intent of this paragraph to make clear the agreement of the parties that the respective rights and obligations of the parties hereunder shall be enforceable in equity as well as at law or otherwise.

18.8. **Severability.** In the event any condition, covenant, or other provision herein contained is held to be invalid or void by any court of competent jurisdiction, the same shall be deemed severable from the remainder of this Lease and shall in no way effect any other covenant or condition contained herein. If such condition, covenant, or other provisions shall be deemed

invalid due to its scope or breadth, such provision shall be deemed valid to the extent of the scope or breadth permitted by law.

18.9. **Enforceability and Litigation Expenses.** If any action, suit, or proceeding is brought by a party hereto with respect to a matter or matters covered by this Lease or if a party finds it necessary to retain an attorney to enforce its rights under this Lease, all costs and expenses of the prevailing party incident to such proceeding or retention, including reasonable attorney’s fees, shall be paid by the non-prevailing party.

18.10 **Authorization.** Each individual executing this Lease represents and warrants that he or she has been duly authorized by appropriate action of the governing body of the party for which he signs to execute and deliver this Lease in the capacity and for the entity set forth where he signs and that as a result of his signature, this Lease shall be binding upon the party for which he signs.

18.11 **Recordation.** This Lease may not be recorded on behalf of either party, but in lieu thereof, Lessor and Lessee agree that each will, upon execution of this Lease, execute, in recordable form, a “short form” of the Lease, which shall contain a description of the Premises, the term of the Lease, and the parties to the Lease. The short form of the Lease shall not modify the terms of the Lease or be used in interpreting the Lease and in the event of any inconsistency between this Lease and the short form of the Lease, the terms and conditions of this Lease shall be controlling.

18.12 **Rights Reserved.** This Lease and all rights hereunder shall be held by the Lessee at all times subject to the rights of the Lessor. Jurisdiction and supervision of the Lessor over concerned lands are not surrendered or subordinated by issuance of this Lease. The Lessor reserves the right to issue to other additional licenses, rights-of-way or permits for compatible uses of the lands involved in this Lease. There is also reserved the right of the Lessor, its officers, agents, employees, licensees and permittees to have ingress to, passage over, and egress from all of said lands for the purpose of exercising, enforcing and protecting the rights reserved herein or for any other legitimate purpose.

IN WITNESS WHEREOF, the parties to this Lease Agreement have executed this Lease on the day and year first above written.
