Re: Advice No. WA 2011-67V for United Telephone Company of the Northwest

Dear Mr. Danner:

Enclosed for electronic filing are revisions to United Telephone of the Northwest Access Service Tariff WN U-10. These revisions are submitted with a December 16, 2011 issued date and a proposed effective date of January 16, 2012, however CenturyLink requests less than statutory notice so that these changes may become effective January 1, 2012. These tariff revisions are available on CenturyLink's Web site at www.centurylink.com/tariffs.

The tariff pages enclosed for review are as shown on Attachment A.

This filing proposes the addition of tariff language for implementation of the intercarrier compensation regime for certain VoIP-PSTN traffic as mandated in the Federal Communications Commission's November 18, 2011 Report and Order and Further Notice of Proposed Rulemaking in WC Docket Nos. 10-90, etc. (FCC 11-161).

CenturyLink requests permission to file the proposed revisions on less than statutory notice so that we may implement the provisions of the FCC's Order as soon as possible after the Order effective date of December 29, 2011.

I, Kristal E. Myers, in Compliance with WAC 480-80-103, certify that I have authority to issue tariff revisions on behalf of United Telephone Company of the Northwest.

Commission consideration and timely approval of this page is respectfully requested. Upon approval, please return one stamped approved copy of this filing for our records. If you have questions or need additional information regarding this filing, please contact Mark Reynolds at (206) 345-1568 or me at (913) 345-7717.

Sincerely,
