Re: Schedule A - "Addition of City Exactions"

Northwest Natural Gas Company, dba NW Natural ("NW Natural" or the "Company"), files herewith the following revision to its Tariff WN U-6 stated to become effective with service on and after March 1, 2012:

Third Revision of Sheet A.1
Schedule A,
"Addition of City Exactions."

The purpose of this housekeeping filing is to revise Schedule A, "Addition of City Exactions" to reflect changes adopted to the tax imposed upon utilities doing business in North Bonneville, Washington. Ordinance No. 998 that was passed by the City Council on November 22, 2011 increased the City of North Bonneville's utility tax rate from 5% to 6% of gross revenues. Schedule A is revised accordingly.

The Company respectfully requests that the tariff sheets filed herein be approved to become effective with service on and after March 1, 2012.

As required by WAC 480-80-103(4)(a), I certify that I have authority to issue tariff revisions on behalf of NW Natural.

A copy of the filing is available for public inspection in the Company's main office in Portland, Oregon and on its website at www.nwnatural.com.

Please address correspondence on this matter to me with copies to the following:
