**Re: Notification of DSLnet Communications, LLC, and DIECA Communications, Inc. For Certificate of Convenience and Necessity Concerning Certain *Pro Forma* Intra Corporate Transactions -- CONSUMMATION NOTICE AND REQUEST TO CANCEL AUTHORITY**

RECEIVED

 STATE OF WASH  
 UTIL. AFFAIRS  
 COMMISION

Dear Mr. Danner:

DIECA Communications, Inc. d/b/a Covad Communications Company (“DIECA”), on its own behalf and as successor in interest to DSLnet Communications, LLC (“DSLnet,” and together with DIECA, the “Parties”), notify the Utilities and Transportation Commission (“Commission”) that on December 31, 2011, DSLnet and DIECA completed a *pro forma* transaction whereby DSLnet merged with and into DIECA with DIECA surviving the merger.<sup>1</sup>

As a result of the *pro forma* transaction, DSLnet no longer exists as a separate entity, no longer offers services in Washington and therefore no longer requires its authorizations. As such, the Parties hereby request that the Commission cancel DSLnet’s authorizations to provide intrastate telecommunications and rescind any and all tariffs on file with the Commission. In Washington, DSLnet is authorized to provide competitive local exchange company and IXC services pursuant to Docket No. UT-990581 issued on May 26, 1999. Because DSLnet does not serve any intrastate telecommunications customers in Washington, the Company respectfully submits that the surrender of its authorizations is reasonable and necessary and will not be disruptive to the present or future public interest, convenience and necessity.

The original and one (1) copy of this letter are enclosed for filing. For any outstanding DSLnet regulatory obligations or if you have any questions, please do not hesitate to contact the undersigned.

Sincerely,

Katherine K. Mudge
