RE: Advice No. WA 12-01 for CenturyTel of Cowiche d/b/a CenturyLink

Dear Mr. Danner:

Enclosed for filing please find administrative revisions to the CenturyTel of Cowiche d/b/a CenturyLink WN U-3. This filing is submitted with an effective date of March 13, 2012. The tariff pages enclosed are as follows:

Section 3	First Revised Sheet No. 2
	First Revised Sheet No. 3

This filing proposes administrative corrections to acknowledge White Pass as a part of the Rate Group II exchange of Rimrock. Rimrock and the White Pass locality have a shared rate center and NXX, thus the customers in the White Pass locality are charged at the Rimrock Rate Group II rates. There are no Cowiche exchanges or customers billed at Rate Group III rates.

This filing does not impact customers as all customers in the White Pass locality are billed at Rimrock exchange rates.

I, Debra Levy, in compliance with WAC 480-80-123, certify that I have authority to issue tariff revisions on behalf of CenturyTel of Washington, Inc. d/b/a CenturyLink.

Please feel free to contact me if you have any questions regarding this filing.

Sincerely,

A handwritten signature in cursive script that reads "Debra Levy".
