**RE: Advice No. 2012-08
Electric Tariff Filing – Filed Electronically**

Dear Mr. Danner:

Pursuant to RCW 80.28.060 and Chapter 480-80 WAC, please find enclosed for filing the following proposed revisions to the WN U-60, Tariff G for electric service of Puget Sound Energy, Inc. (the “Company” or “PSE”).

Sixth Revision of Sheet No. 7-a - Residential Service (Continued)

The purpose of this filing and a companion natural gas tariff filing under Advice No. 2012-09 is to expand the definition of residential service to include adult family homes as required by RCW 70.128.140(2). This law states that “An adult family home must be considered a residential use of property for zoning and public and private utility rate purposes”. Sheet 7, which presently contains the definition of residential service, is currently suspended in Docket Nos. UE-111048 and UG-111049, therefore, this change is being incorporated on sheet 7-a. Both sheets 7 and 7-a will be updated in the future to eliminate the duplicative wording.

The tariff sheet described herein reflects an issue date of April 16, 2012, and an effective date of May 17, 2012. Posting of proposed tariff changes, as required by law and the Commission’s rules and regulations, is being completed immediately prior to or coincident with the date of this transmittal letter through web, telephone and mail access in accordance with WAC 480-100-193.

Please contact Lynn Logen at (425) 462-3872 or at lynn.logen@pse.com for additional information about this filing. If you have any other questions please contact me at (425) 462-3495.

Very truly yours,
