Natural Gas Tariff Filing – Filed Electronically**

Dear Mr. Danner:

Pursuant to RCW 80.28.060 and Chapter 480-80 WAC, please find enclosed for filing the following proposed revisions to the WN U-2 tariff for natural gas service of Puget Sound Energy, Inc. (the “Company” or “PSE”).

Original Sheet No. 1183-G - Natural Gas Schedule No. 183 (Continued) Natural Gas Conservation Service  
Original Sheet No. 1183-H - Natural Gas Schedule No. 183 (Continued) Natural Gas Conservation Service

The purpose of this filing and a companion electric tariff filing under Advice No. 2012-12 is to clarify when and what portion of conservation funding provided to a customer must be repaid if a customer chooses to receive all or a portion of their natural gas or electric commodity from a party other than PSE. Repayment is provided for in existing conservation agreements that are signed by customers.

Consistent with of the Commission’s order in Docket No. UE-970686 and with Section K, Condition (3)(c) of the Settlement Terms for Conservation approved by the Commission in Docket Number UE-100177 and with settlements adopted by the Commission in Docket Nos. UE-011570 and UG-011571, the Company provided members of the Conservation Resource Advisory Group (“CRAG”) with the proposed tariff sheets two months prior to the proposed effective date of this tariff filing. This has allowed the Company to interact with the CRAG and respond to any comments or questions.

The tariff sheets described herein reflect issue dates of May 11, 2012, and effective dates of June 15, 2012. Posting of proposed tariff changes, as required by law and the Commission’s rules and regulations, is being completed immediately prior to or coincident
