

May XX, 2012

Dear Residential Customer:

Basin Disposal, Inc. has filed a request with the Washington State Utilities & Transportation Commission (UTC) to adjust rates effective **July 1, 2012**. Our last general rate increase was 2005. This request was filed due to increases in operating expenses, since our last adjustment, including but not limited to increases in wages & benefits, postage, fuel, medical insurance and other operating costs. These rates are subject to approval by the UTC. They will conduct a UTC staff investigation, review the proposal and may approve, deny or set rates different from those shown below:

<u>Service</u>	<u>Current Monthly Rate</u>	<u>Proposed Rate</u>
Mini-Can weekly	\$7.95	\$11.30
64 gallon weekly	\$14.35	\$14.90
96 gallon weekly	\$17.85	\$18.70
Drive in Service	\$3.98	\$5.28

These rates do not include applicable local and state taxes. The proposed rate increases range from 3.83% to 32.66% and not all residential services are listed above. If you have any questions about the proposed increase or service options, please contact Basin Disposal, Inc. by phone (509)547-2476, fax (509)547-8617 or mail at PO Box 3850, Pasco, WA 99302-3850.

The commission has the authority to set final rates that may be lower or higher than the company's request, depending on the results of its investigation. Commission staff will make a recommendation to commissioners at an open meeting in Olympia, which is scheduled for June 28th 2012 at 9:30am. To comment on this filing, be added to the UTC's mailing list, or ask questions about the rate making process, please use the comment information below. You will have an opportunity to comment in person at this meeting. If you are unable to attend the open meeting, the commission has a bridge line which enables you to participate or listen by telephone. Call (360)664-1234 for instructions the day before the open meeting. You can also comment by the "Public Comment" feature at the commission's website at www.utc.wa.gov or by the following contact information:
