RE: HG002300

Gentlemen:

Enclose is the Annual Report for 2011. Please note the address change as shown above.

The Company has been nonfunctional since 2011 and is being totally closed for year 2012. I do not intend to sell the certificate and do not wish to have it active. If you have any requirements I must do please provide me the documentation and it will be done.

With regards,

Gary R. Woempner
President
