# PARKLAND WATER SYSTEM

May 24, 2012

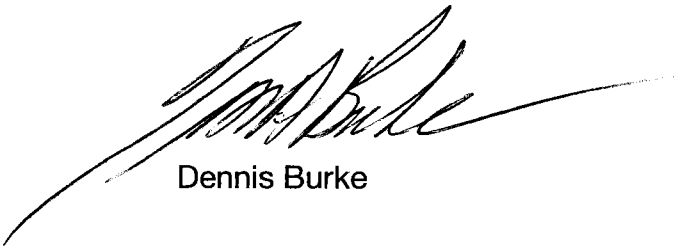

Utilities and Transportation Commission  
P.O. Box 47250  
Olympia, WA 98504-7250

Gentlemen:

Our water system serving 7 customers, other than myself, no longer wishes to be controlled by Utilities and Transportation. At the same time we plan to increase our water rates to \$50.00 / month for a total income of \$400 per month to cover the cost of power, testing, repairs, and maintenance. If we are to remain under the jurisdiction of Utilities and Transportation it will be necessary to increase the rates to \$65.00 per month to hire the required part time employees to perform record keeping, taxes, and reporting at an estimated annual cost of \$1,260.

We plan to close down the water system if it can not be sustained financially. I will no longer pay the bills.

Sincerely yours,

Dennis Burke
