Re: Expansion of Authority

Dear Mr. Danner:

Enclosed are the necessary documents and application for Expansion of Authority to include service between Whidbey Island and Bellingham International Airport. The purpose of this expansion is to provide Airporter Shuttle service to the residents and visitors of Whidbey Island to Bellingham airport, a rapidly growing airline departure and destination gateway. This market is un-served. We anticipate no protests and request that this application be treated as expedited and uncontested.

Thank you,

John Solin
