RE: VMC TELECOM, LLC

Dear Mr. Danner:

We are the attorneys for VMC TELECOM, LLC (hereinafter "VMC"). On October 20, 2011, the Washington Utilities and Transportation Commission ("Commission") previously authorized VMC to provide intrastate telecommunications services Docket No. UT-111700. VMC never offered service to the public and abandoned its business plan in early 2012. For these reasons, VMC no longer intends to retain authority in the State of Washington. Accordingly, we respectfully request that the Commission cancel VMC's authority effective immediately.

Enclosed is a duplicate of this letter. Please stamp the duplicate received and return same in the postage-paid envelope attached thereto.

Please forward any additional forms or requirements, correspondence, or questions to the undersigned.

Very truly yours,

CROCKER & CROCKER
