RE: Disconnection of Navigator Telecommunications, Inc.

Dear Mr. Derouen:

PAETEC Communications ("PAETEC") hereby provides notice to the Washington Utilities and Transportation Commission ("Commission") of its intention to disconnect Navigator Telecommunications, Inc. ("Navigator") for non-payment.

Navigator, a carrier reselling local services from PAETEC is no longer in business and has exited the market. Navigator did not provide the required notice under its agreement with PAETEC and to the best of PAETEC's knowledge Navigator did not provide any notice to this Commission or its customers of its intention to exit the market.

PAETEC's disconnection of Navigator will only affect one customer in Washington. PAETEC will disconnect Navigator no earlier than thirty (30) days from the date of this notice to allow this customer to transfer its services to another provider.

Should you have any questions regarding this notice, please contact me at (501) 748-7142 or via email at Cesar.Caballero@windstream.com.

Sincerely,

Cesar Caballero
