COMMISSION

Dear Kathy,

Enclosed are two applications for funding from the Grade Crossing Protective Fund which, if approved, will allow for much safer access for our employees working on the crossing signals for USDOT Crossing 399593Y (Wolfred) and USDOT Crossing 399603C (Birdhouse). Attached with each of the applications are bids for completion of this work by the contractor, Luke Miller. POVA will provide labor and equipment for this project as well.

We appreciate the opportunity to create a safer work environment for our employees.

Sincerely,

Kelly J. Driver,
Manager
