Re: TELUS Communications Company's Notice of License Transfer; UBI Number: 602645083

To Whom It May Concern:

TELUS Communications Company, G.P. ("TCC"),¹ through its undersigned counsel, respectfully submits this notice to the Washington Utilities & Transportation Commission.

As part of an internal reorganization, effective January 1, 2013, TCC's affiliate, TELUS Communications (U.S.) Inc., will take over TCC's US operations, including operations in Washington. TCC will transfer the provision of services to its customers currently served under UBI Number 602645083 to a newly created affiliate, TELUS Communications (U.S.) Inc., UBI Number 603248429. TCC and TELUS Communications (U.S.) Inc. are affiliated entities and share the same ultimate parent; the transfer does not result in any change in ultimate ownership. Therefore, TCC respectfully notifies the Washington UTC that, effective January 1, 2013, TCC is transferring its license (UBI Number: 602645083) to its affiliate TELUS Communications (U.S.) Inc.² TCC will notify the affected customers of the transfer.

Thank you for your attention to this matter. Please contact me at (202) 799-4448 if you have any questions regarding this filing.

Respectfully submitted,

DLA Piper LLP (US)

² Out of an abundance of caution, TELUS Communications (U.S.) Inc. separately has registered with the Washington Utilities & Transportation Commission to provide service.
