Subject: Frontier Communications Northwest Inc. - WAC 480-143-190 Report

Dear Mr. Danner:

This letters constitutes the report of Frontier Communications Northwest Inc. (the "Company" or FC Northwest) pursuant to WAC 480-143-190 of company owned property in Washington State that was sold without seeking the Commission's preapproval, as allowed by WAC 480-143-180. The Commission's rule specifies that this report cover properties with a value that exceeds .01% of the company's rate base "last established by commission order," or \$2,000. The Commission last set a rate base for the Company in the Second Supplemental Order in Docket U-82-45/48. Based on that figure, the threshold for this report is \$39,489.

FC Northwest reports that it did not have any property sales in 2012 coming within the criteria noted above.

If you have any questions concerning this report, please call me at 972-908-4415.

Sincerely,

Kim Douglass
