IMPORTANT NOTICE

Tenino Telephone Company ("Company") has filed with the Washington Utilities and Transportation Commission ("Commission") to increase its Business Exchange Access Line Services rate from \$18.00 to \$21.00; and Residential Exchange Access Line Services rate from \$12.00 to \$14.00. In addition, the Company is making changes to Custom Calling Services/Features, EdLINE Services, Non-Recurring Charges, Public Access Line Service and Remote Call Forwarding as outlined below. Some services that are not in use have been deleted.

The Federal Communications Commission has issued an Order (FCC Order No. 11-161) that requires the Company to increase its rates to the levels set forth in this Notice or face a corresponding reduction in its universal service support. Universal service support enables the Company to provide high quality service to you. The Company has historically opposed raising its local rates, but after due consideration, the Company believes it has no choice but to follow the FCC's requirement.

If you have any questions about the proposed filing and how it will affect you, please call the Company at 360-264-2915.

The Commission has the authority to set rates that may vary from the Company's request, depending on the outcome of its investigation. Commission staff will make a recommendation to the commissioners at an open meeting in Olympia, which is scheduled for 9:30 a.m. on April 25, 2013. The UTC is committed to providing reasonable accommodation to participants with disabilities. If you need reasonable accommodation, please contact the commission at (360) 664-1132 or human_resources@utc.wa.gov.

You will have an opportunity to comment in person at this meeting. If you are unable to attend the open meeting, the Commission has a bridge line which enables you to participate by telephone. Call 360-664-1234 the day before the open meeting for instructions and to sign in. You can also comment by using the "Public Comment" feature at the commission's web site, at utc.wa.gov, or by using the contact information below.
