Enclosed for filing, please find STi Prepaid, LLC's ("STi Prepaid") Annual Report for the 2012 Year. Please note that, on September 5, 2012, STi Prepaid filed a voluntary petition for relief under Chapter 11 of the U.S. Bankruptcy Code in the US Bankruptcy Court for the Southern District of New York, Case No. 12-13810. A copy of the petition is enclosed for your review.

With regard to any amounts owed prior to September 5, 2012, there is now an automatic stay in place that precludes creditors and other parties from taking certain collection and other actions against STi without prior approval from the Bankruptcy Court. Any attempt to collect a pre-petition debt or take other action in violation of the Bankruptcy Code is subject to contempt of court proceedings.

While STi Prepaid has submitted its annual report for the 2012 year, we have not included a copy of our financial statements because they are not finalized.

Our limited resources are now focused on STi Prepaid's reorganization efforts and other matters related to the bankruptcy proceeding. Thus, STi Prepaid respectfully requests an extension of time to provide its 2012 financial statements. We anticipate on having our financial statements completed by May 31, 2013. We thank you in advance for your understanding and look forward to receiving your confirmation that our extension request has been granted.

Should you have any questions, or require additional information, please feel free to contact the undersigned.

Sincerely,

Jenni Partridge
