Dear Ms Carnes:

RE: 2012 Annual Report  
G86

Per our emails of this date, I am requesting an extension in the filing of our above referenced annual report.

Fred has had unexpected and serious health issues, with 4 hospitalizations in the last month. For that reason, I have been unable to dedicate the time to preparing the report with the accuracy expected.

I have faxed the information required to process our regulatory fee. I should be able to complete the report by May 10, 2013.

We certainly appreciate your understanding and help in this matter.

Sincerely,

*Crystal Stanley*  
Crystal Stanley
