

## NOTICE

Hat Island Telephone Company (“Company”) has today filed with the Washington Utilities and Transportation Commission (“Commission”) revisions to the Company’s Tariff WN U-1 (“Tariff”).

The proposed tariff revisions modify Schedule 7 (“Telephone Assistance Program”) of the Company’s Tariff WN U-1 by renaming that schedule as “Telephone Assistance Programs”, updating that schedule to reflect changes in the Federal Lifeline program and in the administration of the Washington Telephone Assistance Program, and modifying that schedule to accommodate the possibility that the excise tax referred to therein may be discontinued. The proposed tariff revisions also modify the Index to the tariff to reflect the change in the name of Schedule 7.

The proposed tariff sheets have an issued date of May 10, 2013, and an inserted effective date of June 10, 2013.

A copy of the proposed tariff sheets, as well as of the Company’s existing Tariff WN U-1, is available for public inspection in this office. A member of our staff will be pleased to assist you in obtaining information from the proposed tariff sheets, as well as from our existing Tariff WN U-1.
