RE: Revised Commodity Credit, G-12 Tariff Number 26 for Rabanco Ltd (dba Republic Services of Kent, Rabanco Companies, Sea Tac Disposal).

Dear Mr. King:

Please find attached copies of revisions for G-12 Tariff Number 26 for Rabanco Ltd., (dba Republic Services of Kent, Rabanco Companies, Sea Tac Disposal). This proposed change in the tariff reflects the change in the commodity credit for residential customers in the Service Areas in Appendix A and Appendix B from a credit of \$1.37 to a credit of \$0.06 per month and for multi family customers, from a credit of \$0.61 to a credit of \$0.02 per yard. Enclosed are the accounting work papers. In addition, please find a Less than Statutory Notice request asking that the rates become effective August 1, 2013.

Republic Services of Kent here notes that because this general rate filing affects rates currently subject to suspension in Order No. 1, TG-111992, In Re: WUTC v. Rabanco, Ltd. d/b/a SeaTac Disposal, G-12, (Dec., 2011), involving recycling revenue share accounting, it is hereby asking that the Commission expressly permit this filing, pursuant to RCW 81.04.130, to be evaluated and formally acted upon despite the current suspension order in the prior revenue share proceeding.
