Dear Mr. Danner:

Pursuant to ORS 759.410, Qwest Corporation d/b/a CenturyLink QC is filing notice of revisions to the sheets listed on Attachment A.

On June 17, 2013, CenturyLink made an FCC filing to reduce the Federal Access Charge rate for Oregon effective July 2, 2013. As a result, this filing is being issued to coincide with the decrease to the Federal Access rate for primary residential service by revising the Federal Lifeline (ASGFX from \$5.75 to \$5.82 and ASGFR from \$3.50 to \$3.43) while keeping the overall credit at \$9.25. There is no customer impact to these rate changes.

The Tribal Lifeline credits are also being changed as a result of the offset between the Federal Access Change and the Tribal Lifeline credit.

These pages have been prepared with an effective date of July 22, 2013, and an effective bill date of July 2, 2013, in order to coincide with the effective date of the Access Charge increase in the federal tariff.
