To Whom It May Concern:

Kennewick General Hospital (KGH) is currently in the process of building a new hospital at an area known as Southridge in Kennewick, WA. As KGH grows, we would like to coordinate all of our campus telephone numbers under one NPA-NXX code.

Currently, we use the 582, 585, 586 and 737 NXX codes, with a wide array of numbers under those codes (see attached file). Due to our use of a PBX, we are not able to use NXX codes starting with "9".

Therefore, we are respectfully requesting a waiver to allow the creation of a new NXX code so that we can reserve 6000 consecutive numbers and permit all KGH properties to share the same NPA-NXX code.

Thank you in advance for your consideration of our request.

Sincerely,
