Section 13

Second Revised Sheet 140.4.1

The purpose of this filing is to correct the Local Transport Tandem Switching elements in the Switched Access Concurrence section. The per minute rate was incorrectly added to the per mile terminating element. Additionally, the per minute rate should have been broken out between originating and terminating and it was inadvertently missed with the May 31, 2013 filing. The corrections have been made with this filing. The May 31st filing was in response to the Federal Communications Commission's Report and Order and Further Notice of Proposed rulemaking, WC Docket Nos. 10-90 et al., FCC 11-161 (Released Nov 18, 2011)

The proposed effective date is September 6, 2013
