Item 30 — Limitations of Service (C)  1. Schedules. A company's schedule will meet reasonable requirements and will comply with local service level ordinances.  2. Due care. Other than to offer reasonable care, the company assumes no responsibility for articles left on or near solid waste receptacles.  3. Liability for damage. When a customer requests that a company provide service and damage occurs to the customer's driveway due to reasons not in the control of the company, the company will assume no responsibility for the damage.  4. Refusal of service. (Except as set forth in Section 5, Missed service due to unsafe weather conditions, road conditions, natural disaster or when government authority restricts access to local roads.)  A solid waste collection company may refuse to:  **Collect solid waste from points where it is hazardous, unsafe, or dangerous to persons, property, or equipment to operate vehicles due to the conditions of streets, alleys, or roads.  **Drive into private property when, in the company's judgment, driveways or roads are improperly constructed or maintained, do not have adequate turn-arounds, or have other unsafe conditions; or  **Enter private property to pick up solid waste while an animal considered or feared to be dangerous is not confined. The customer will be required to confine the animal on service days.  5. Missed service due to unsafe weather conditions, road conditions, natural disaster or when government authority restricts access to local roads. A company is not required to collect solid waste when the company determines that it is unsafe to operate due to weather conditions, road conditions, natural disaster or when government authority restricts access to local roads. A company is not required to collect solid waste when the company determines that it is unsafe to operate. The company will collect on the next scheduled service date on which the company deems it to be safe to operate. The company will not charge for extra waste set out (except provided in literal 207, i				oc G-88		
2. Due care. Other than to offer reasonable care, the company assumes no responsibility for articles left on or near solid waste receptacles.  3. Liability for damage. When a customer requests that a company provide service and damage occurs to the customer's driveway due to reasons not in the control of the company, the company will assume no responsibility for the damage.  4. Refusal of service. (Except as set forth in Section 5, Missed service due to unsafe weather conditions, road conditions, natural disaster or when government authority restricts access to local roads.)  A solid waste collection company may refuse to:  **Collect solid waste from points where it is hazardous, unsafe, or dangerous to persons, property, or equipment to operate vehicles due to the conditions of streets, alleys, or roads.  **Drive into private property when, in the company's judgment, driveways or roads are improperly constructed or maintained, do not have adequate turn-arounds, or have other unsafe conditions; or  **Enter private property to pick up solid waste while an animal considered or feared to be dangerous is not confined. The customer will be required to confine the animal on service days.  5. Missed service due to unsafe weather conditions, road conditions, natural disaster or when government authority restricts access to local roads. A company is not required to collect solid waste when the company determines that it is unsafe to operate due to weather conditions, road conditions, natural disaster, or when government authority restricts access to local roads. The company will collect on the next scheduled service date on which the company deems it is safe to operate under the company deems it is safe to operate. In a company is not obligated to extend credit to customers for missed service as soon as reasonably practicable.  a. The company is not obligated to extend credit to customers for missed service as the company deems it to be safe to operate.
