Dear Mr. Danner:

Pursuant to ORS 759.410, Qwest Corporation d/b/a CenturyLink QC is filing notice of revisions to the sheets listed on Attachment A.

On September 16, 2013, CenturyLink made an FCC filing to decrease the Federal Access Charge rate for Washington effective October 1, 2013. As a result, this filing is being issued to coincide with the change to the Federal Access rate for primary residential service by changing the individual Federal Lifeline credits while keeping the overall credit at \$9.25. There is no customer impact to these rate changes.

The Tribal Lifeline credits are also being changed as a result of the offset between the Federal Access Change and the Tribal Lifeline credit.

These pages have been prepared with an effective date of October 17, 2013, and an effective bill date of October 1, 2013, in order to coincide with the effective date of the Federal Access Charge decrease in the federal tariff

I, Mark Reynolds, in compliance with WAC 480-80-123, certify that I have authority to issue tariff revisions on behalf of Qwest Corporation d/b/a CenturyLink QC.

If you have questions concerning this filing please contact me.

Sincerely,

A handwritten signature in black ink that reads "Mark Reynolds".

Mark Reynolds
