RE: Cancellation of Tariff Number 2 for Rabanco LTD & Rabanco Recycling, Inc. (dba Emerald City Disposal).

Dear Mr. King:

We wish to cancel Tariff Number 2 for Rabanco LTD & Rabanco Recycling, Inc. (dba Emerald City Disposal). Since the last time this tariff was modified the City of Seattle has taken on the responsibility of solid waste regulation. We are asking that this tariff be cancelled effective January 1, 2014.

This tariff area is incorporated in our G-12 Certificate which we do not want to alter in any way whatsoever. In the event that the City of Seattle chooses to revert to using a regulated solid waste collection company in the future, Republic Services will resubmit the tariff for consideration

If you have any questions please don't hesitate to contact me.

Sincerely,
