Dear Mr. King:

Enclosed is a proposed revision to Tariff 3 of Torre Refuse & Recycling d/b/a Sunshine Disposal & Recycling (G-260).

The purpose of this filing is to increase rates to cover higher disposal fees at the Spokane Regional Solid Waste System. Attached are the notifications for the proposed increases. This filing also updates the annual recycle commodity credit.

If approved, this increase will increase rates approximately \$15,000 or 0.4% annually.

Customers will be notified of the rate change on their next regular billing.

We request waiver from the requirements of WAC 480-07-520 due to the fact that this rate change only covers increases in disposal fees.

If I can be of any further assistance, please contact me at 509-924-5678 x217 or 509-252-3500 (fax) or at johnl@sunshinedisposal.com.

Respectfully,
