Dear Secretary King,

We are submitting this transmittal letter and filing for a decrease in rates and charges for San Juan Sanitation, Inc. (G-144). We are filing this change as directed by WAC 480-70-262. This is an adjustment to Solid Waste Tariff Number 7, with an Effective Date of December 1, 2013.

Because of lower disposal fees currently being charged by the new operator of the Orcas Island Transfer Station, we have lowered all residential and commercial rates in our tariff which have a disposal component. If approved by the commission as filed, these rates would decrease annual company revenues by \$165,486 or 11%. Affected residential and commercial rates would go down by approximately 12.5%.

Customer notices will be mailed with the first bill after commission approval as outlined in WAC 480-70-271. A copy of this transmittal will be mailed to the San Juan County Council.
