Re: **Advice No. 2013-41 – Natural Gas Tariff Filing – Filed Electronically**

Dear Mr. King:

Pursuant to RCW 80.28.060 and Chapter 480-80 WAC, please find enclosed for filing the following proposed revisions to the WN U-2 Tariff for natural gas service of Puget Sound Energy (the “Company” or “PSE”):

7<sup>th</sup> Revision of Sheet No. 21-A – Rule No. 9: Bills and Payment for Service (Continued)

The purpose of this filing is to clarify the application of the billing initiation charge when existing service locations are part of a PSE acquisition. Acquisitions had not been specifically mentioned in the tariff and the proposed revision serves to further detail current billing practices.

The tariff sheets described herein reflect issue dates of December 20, 2013, and effective dates of January 31, 2014. Posting of the proposed tariff change for public inspection and review, as required by law and the Commission’s rules and regulations, is being completed immediately prior to or coincident with the date of this transmittal letter, through web, telephone and mail access in accordance with WAC 480-90-193(1).

This filing does not represent an increase in recurring charges or restrictions in access to services, therefore notice will be provided in accordance with the provisions of WAC 480-90-194(3).

Please contact Julie Waltari (425) 456-2945 for additional information about this filing. If you have any other questions please contact me at (425) 456-2110.
