RE: Advice No. CNG/W14-01-02

Dear Mr. King:

Enclosed for filing is the following tariff sheet to become effective with service on and after March 7, 2014:

Fifty-Fifth Rev. Sheet No. 511, Canceling Fifty-Fourth Rev. Sheet No. 511

The purpose of this filing is to correct the tariff blocking structure which was inadvertently changed in a previous filing made by Cascade on November 27, 2013. The purpose of that initial filing was of a housekeeping nature and should have only provided a detailed list of the stand-alone schedules referenced by Sheet No. 511. The tariff blocking structure on the sheet should have remained the same. Cascade Natural Gas is submitting a Less than Statutory Notice (LSN) to request the tariff to become effective on and after February 15, 2014.

Any questions regarding this filing may be directed to me at (509) 734-4593.

Sincerely,

A handwritten signature in blue ink, appearing to read "Michael Parvinen", with a long horizontal flourish extending to the right.
