**Subject:** Decision to change to City Jurisdiction over Solid Waste Collection Services Within the City of North Bonneville

Dear Mr. King:

Pursuant to RCW 81.77.0201, this is to notify the Commission that the City of North Bonneville, Washington has decided to exercise its jurisdiction for solid waste collection operations within the City limits. We understand that Skamania County Sanitary Service is the existing regulated solid waste collection company authorized to provide service to our community. We plan to continue service by Skamania County Sanitary Service for the seven (7) period specified by RCW 35.02.160. However, and at the end of that period the City intends to either provide service itself or to franchise service.

We intend to contact Skamania County Sanitary Service and inform this of this decision.

Please contact us should you have any further questions regarding this matter.

Very Truly Yours;

---

Don Stevens, Mayor
