Ms. Andrews,

We would like to ask for an extension on the Annual Report due May 1, 2014.

The reason for this request is our computer system crashed in mid February, of this year, and we lost all accounting for 2013, as well as before that. To make matters worse the back up system failed last May and being a small company we did not realize that.

We would like to have until May 9, 2014 to complete the report to the best of our ability. We will try to get it to you before then. Thank you for suggestions on how to accomplish this.

We do apologize for this and have rectified our accounting procedures. Thank you for this consideration.
