2015 Integrated Resource Plan Work Plan**

Dear Mr. Danner:

Attached please find the Work Plan for Puget Sound Energy, Inc.'s ("PSE") 2015 Integrated Resource Plan ("IRP"). It is filed pursuant to the Washington Utilities and Transportation Commission IRP rules under WAC 480-90-238(4), (5) and WAC 480-100-238(4), (5).

The document includes:

- Section I: Anticipated Timeline for Public Participation;
- Section II: Summary of Methods for Assessing Resources; and
- Section III: Outline of Content.

The public participation in Puget Sound Energy's 2015 IRP is underway. PSE hosted two IRP Advisory Group meetings: one on March 18, 2014, the second on May 16, 2014. Additionally, there have been three IRP Technical Advisory Group meetings. PSE looks forward to continuing this process in a way that will enhance transparency, as we work through numerous details necessary to develop a well-supported IRP. PSE will file the final IRP by May 31, 2015.

Please contact Phillip Popoff, Manager-Integrated Resource Planning, at (425) 462-3229 with any questions or feedback pertaining to the Work Plan. Please feel free to contact me at (425) 456-2110 if I can be of any assistance.
