Dear Sirs:

Subject: Waste Management of Skagit County, a division of Waste Management of Washington, Inc. (G-237); Tariff # 18

Please find enclosed revised tariff pages 2 and 6 for the above-referenced company. The purpose of these tariff page revisions is to reflect the recent revision to the Utility Tax on all solid waste services within the city limits of the City of Sedro-Woolley. Pursuant to Ordinance No. 1792-14, a Utility Tax equal to 7.5% of the total gross income of businesses providing solid waste services will be assessed this tax beginning June 1, 2014. Because the tax is assessed on the gross income earned within the City, the effective tax rate in Item 6 to the tariff will reflect a tax rate of 8.1%. The proposed effective date of these tariff revisions is August 1, 2014.

Enclosed for your review is a copy of Ordinance No. 1792-14 and a memorandum from the County finance director informing us of the tax increase. The company will notify customers of this new rate on their next regularly scheduled billing after approval by the commission.

If you have any questions or need additional information, please contact me at (425) 814-7840.

Very truly yours,
