Re: Zayo Group, LLC
Notification of *Pro Forma* Change in Indirect Ownership

Dear Mr. Danner:

Zayo Group, LLC (“Zayo”) hereby notifies the Commission of a *pro forma* change in indirect ownership of Zayo (the “*Pro Forma* Change”) that will occur in connection with an initial public offering (“IPO”) by Zayo Group Holdings, Inc.’s (“Holdings”), Zayo’s direct holding company (a copy of Holdings’ registration statement on Form S-1 can be found on the SEC website at www.sec.gov). The *pro forma* change will remove Zayo’s current indirect holding company from the Holdings and Zayo ownership structure by assigning its owners’ equity interests to Holdings and offering a portion of the Holdings equity to the public and is not expected to result in any new equity owners who will hold 10 percent or more indirect ownership in Zayo.

Zayo understands that prior action by the Commission is not required for the *Pro Forma* Change. Accordingly, Zayo submits this letter for informational purposes. In support, Zayo provides the following:

Description of the Pro Forma Change

In connection with the planned IPO of Holdings, CII will be eliminated from the ownership chain between Holdings and the ultimate investors/owners of the company. As a result of the *Pro Forma* Change, Holdings will become the ultimate parent company of Zayo rather than an intermediate parent company and the current owners of CII will have a direct rather than indirect ownership interest in Holdings. Since immediately after the *Pro Forma* Change Holdings will continue to have direct control of Zayo and will obtain ultimate control of Zayo with the same ultimate investors/owners, the *Pro Forma* Change is simply an internal change in the ownership chain that is *pro forma* in nature.

For the Commission's reference, a chart depicting the pre- and post-*Pro Forma* Change ownership of Zayo is provided as Exhibit A.

Upon completion of the *Pro Forma* Change, the current investors/owners of CII will directly own equity in Holdings. Contemporaneously, Holdings will initiate an IPO to sell a small part of its equity to the public. Zayo and Holdings do not expect any new shareholder to obtain a 10% or greater ownership as a result of the IPO. As a result of the IPO, the shares of some of the current owners will be somewhat diluted.

Public Interest Considerations

Zayo submits that the *Pro Forma* Change is in the public interest. The *Pro Forma* Change is another step in and will complete the realignment of CII's corporate structure that began with the *pro forma* transfer of direct ownership of Onvoy, LLC from Holdings to CII. See Docket No. UT-141035. Together with that prior change, the *Pro Forma* Change will provide Holdings and CII with greater flexibility for equity transactions, including the IPO, as well as other corporate and financial transactions, which will further strengthen Zayo's financial qualifications. The *Pro Forma* Change will be entirely transparent to Zayo's customers and will not result in any change in their services. In particular, the rates, terms and conditions of their services will not change as a result of the purely *pro forma* change.
