Re: Rainier View Water Company, Inc. - Issuance of Securities

Dear Mr. King:

The purpose of this letter is to advise the Commission that Rainier View Water Company, Inc. is about to issue evidence of indebtedness. This letter provides the information required by RCW 80.08.040.

Pursuant to RCW 80.08.040(1), the purpose for which the issuance is made is to obtain funds to construct treatment facilities. This project has been authorized through a tariff filing by the Company. See Schedule 4. Attached is a certification of an officer of the Company that the proceeds from the financing is for one or more of the purposes allowed by Chapter 80.08 RCW. Specifically, the funds will be used to construct a utility plant to provide service to customers.

Pursuant to RCW 80.08.040(2), the issuance is to CoBank in the principal sum of up to one million dollars. There is a six month construction drawdown window. The payback is for five years (sixty months) beginning in March of 2015. The Company has the choice of a variable or fixed interest rate. A copy of the Promissory Note and Multiple Advance Term Loan Supplement that sets out the terms of the choice of interest rates is attached.

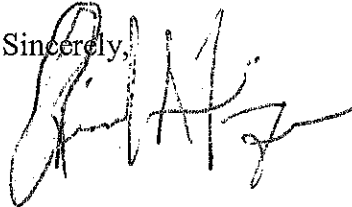

Pursuant to RCW 80.08.040(3), the transaction is in the public interest because it provides the Company with the funds to undertake treatment of iron and manganese issues for

the benefit of the customers. The treatment will result in better quality water for the customers' consumption.

Thank you for your attention to this matter.

Sincerely,
