Re: Transfer of Control of IPC Network Services, Inc. – Docket Number YT-071451

Dear Sir or Madam:

Please be advised that IPC Network Services, Inc. (“IPC”), a registered competitive telecommunications company, underwent an indirect change of control on February 6, 2015. IPC is now indirectly owned predominately by Centerbridge Capital Partners II, L.P. (“Centerbridge”). The transaction will not have any immediate effect on the operations of IPC, and the management has not changed as a result of the transaction.

If you have any questions, please contact me at (410) 349-4990 x 100.

Sincerely,

Thomas M. Lynch  
Counsel for IPC Network Services, Inc.
